CLERK U.S. DISTRICT COURT
WEST. DIST. OF PENNSYLVANIA

Case No. 19-8

I object, to the Court's October 7, 2021 order where my due process rights were violated, and request that the Court vacate the order for the following reasons:

First, the Court knows I could not been recorded on video inside the vehicle being I am incarcerated.

Counsel filed a motion to withdraw. The Court ruled on the motion to withdraw and the probable cause issue without the probable cause being properly presented in a motion filed by Counsel.

I never asserted to represent myself. A hearing was never held where I can substantiate the claim and call witnesses.

The Courts order was incorrect and inconsistent with the law and facts. The error was so obvious and substantial that failure to correct it would damage the judicial process.

Based on the foregoing, I request that the Court vacate the October 7, 2021 order.
